

Extend the background design/colour up to the red line all the way round (3mm bleed) and keep text within the blue outlined areas ("Text safe" areas)

Extend the background design/colour up to the red line all the way round (3mm bleed) and keep text within the blue outlined areas ("Text safe" areas)

CD On-body or Label

If a label, extend background design/colour by 3mm (bleed) outside the circle, and leave a 3mm "Text safe" border area inside the circle and around the centre hole.
